

RGE RD

— EAT OFF THE BEATEN PATH —

BEVERAGE GUIDE

Our philosophy and approach to food is mirrored in the beverage guide; our cocktails are a celebration of Canadian spirits and we choose incredible Canadian craft breweries. We are proud to showcase Canadian wines from coast to coast and international favourites that reflect our appreciation for terroir. Wine is an agricultural endeavour – often grown and cultivated by humble people who have reverence for the land and nature. Our list is a selection that is “off the beaten path” as we favour vintners that reveal the character and essence of a place through wine – regions as diverse and distinctive as Okanagan’s sage-suffused Golden Mile or Chablis’ ancient sea beds.

We aim to represent the best of Canadian producers alongside emerging global talent and iconic crus; these winemakers, distillers and craft brewers pay homage to tradition with utmost devotion to the future through ethical and sustainable practices. More than a list, this document is a travel diary of places we’ve been or long to visit– connected to memory and experience through taste, flavour and aroma.

The guide is curated in joyful collaboration with friends, importers and the RGE RD team under the direction of Caitlin Fulton.
